Dear Parent/Guardian:

BTMS offers multiple opportunities for our Eagle Scholars to participate in after-school activities, including but not limited to sports, tutoring, clubs, etc. Most programs will run Tuesdays/Thursdays, and dinner and transportation is available for students who choose to participate. There is a limited number of clubs available on Monday, but at this time there is no dinner or transportation for Monday activities.

If your child will be using school transportation, please understand that he/she ***may not be dropped off at his/her regular bus stop***. If your child is a car rider, he/she must be picked up by 3:45pm outside of the front office.

Participation in after-school activities is a privilege. If a student's behavior interferes in any way with after-school activities, his/her privileges may be revoked.

If your child is interested in participating in an after-school activity, please complete this form in its entirety and return the form to the student services office.

I give permission for my child, _____, to participate in afterschool tutoring or clubs/activities.

My child will be a: car rider _____ walker _____ bus rider _____
